In addition, please see information about *face coverings required for all students* this school year:

Face Coverings (Masks)

Wearing a face covering is one of the most effective ways we currently have to help stop the spread of the virus that causes COVID-19. Therefore, ***all students in Children's House and older will be required to wear cloth face coverings while inside the building at WHS.*** Masks will be worn at all times with the exception of while eating or drinking. See details about masks below:

- Face coverings must completely cover the student's nose and mouth.
- Cloth face coverings of at least two layers are most effective.
- Your child's masks must all be clearly, permanently labeled with their name.
- Students must arrive at school wearing their masks and have at least one additional mask with them everyday. (A minimum of two clean masks each day)
- Reusable masks must be laundered at home after each wearing.
