***Nut Free* Snacks (All students)**

Each child will bring individual snack everyday. There will be no group, shared snacks. Please pack a morning snack (all students) and 2 afternoon snacks (full day students only) everyday. Snacks should be packed in individual serving sizes (such as a snack baggie of crackers), and each one should be clearly labeled "Snack" to differentiate from lunch items. If you need ideas for great healthy snack choices, please let us know!

***Nut Free* Lunch (Full day students only)**

Please send lunch in a small lunch box or container that will fit into their backpack. Lunch boxes will need to include ice packs to keep food cold. A microwave will be available to heat lunches when necessary. Please label all reusable containers. Children will be unpacking their own lunch, so having containers that they are able to open is a big help. We will assist them if needed. Montessori is about letting the child do all they can do by themselves. Toddlers love asserting their independence!

Nap Items (Full day students only)

- Please send 1 cozy blanket and 1 "lovey" for naptime in a separate nap bag that is clearly labeled with your child's name.
- Small pillows are optional and should fit in the nap bag.
- Nap bags will stay at school for the week.
- A cot sheet will be provided for your child.
- Nap linens and cot sheet will be sent home weekly for laundering.
