

Being part of a **Scholarship Granting Organization** means **Supporting Great Opportunities** at Welsh Hills School!

You're helping students attend Welsh Hills School!

By contributing to WHS through the Ohio Association of Independent Schools Scholarship Granting Organization (OAIS SGO), you're creating opportunities for Welsh Hills School students **and** reducing your state tax liability.

Donations fund scholarships for students to attend our school and help make an independent school education affordable and accessible to all.

You're receiving a tax credit!

In 2021, the Ohio legislature passed a law creating a tax credit for qualified donations to scholarship-granting organizations certified by the Ohio Attorney General.

Thanks to this state tax credit, individuals who donate to an SGO can receive **a dollar-for-dollar state tax credit for up to \$750 per individual taxpayer or \$1500 per married couple.**

Funding Fact

**In our first year of participating in the SGO,
we raised \$6,700 from seven donors!
Please consider a donation. You'll make a big impact!**

How the tax credit works:

- You can contribute up to \$750 per individual, \$1,500 if married, and receive a reduction in your tax liability when you file your return.
- Donations may be made up to the federal tax filing deadline in April to be counted for the previous year.
- Parents, grandparents, alumni, friends – anyone can help make an independent education at Welsh Hills School accessible and affordable by donating to the SGO, but only Ohio residents are eligible to receive the tax credit.
