

Donate to our Scholarship Granting Organization and receive 100% back as an Ohio Tax Credit.

Did you know that you can redirect the Ohio income taxes you already pay to create need-based scholarships for students at Welsh Hills?

It's true! When you give to Welsh Hills School's Scholarship Granting Organization, the state of Ohio allows you to claim a dollar-for-dollar credit against your state tax liability.

As long as your tax liability is equal to or greater than the donation, you receive the full amount back. This is NOT a charitable donation.

You're helping students attend Welsh Hills School!

By contributing to WHS through the Ohio Association of Independent Schools Scholarship Granting Organization (OAIS SGO), you're creating opportunities for Welsh Hills School students **and** reducing your state tax liability.

Donations fund scholarships for students to attend our school and help make an independent school education affordable and accessible to all.
