

Dear Students and Families,

Summer is a great time for reading! Our summer reading assignments are meant to provide continued practice over the summer break. **While we encourage all our students to read over the summer, assigned summer reading is for all rising second and third year students in Lower Elementary ONLY. All summer reading assignments must be completed by the first day of school on August 16.** Students will need to have copies of their required reading books in class beginning the first day. The other summer reading book, each student's choice, will need to be at school with their book project on Monday, August 21.

**Second and third year Lower Elementary students are required to read a total of two books over the summer.**

**These students are required to read the following book:**

- *A to Z Mysteries Super Edition #14: Leopard on the Loose* by Ron Roy

This will be the first book we discuss together at the beginning of the school year. **There is no independent project to be completed for this book.** Work will be done in class once school starts. *Students are required to have a copy of this book at school.*

**The second book required for summer reading is the student's choice and should not be a book he or she has previously read.** There are many excellent children's books available, including the titles recommended at the link below. This website is just one resource for discovering great books for kids of all ages.

**\*Each student will need to create a project for the book he or she chooses independently (NOT for the class book *A to Z Mysteries*.)** The project should tell the class all the important details about the book your student read (title, author, genre, characters, setting, plot). **All projects must be labeled with the book's title and author.** Students must choose a project idea from the list provided. Have fun and be creative!

Have a wonderful summer and happy reading!
