

Welcome to Camp Readmore!

Use the attached coloring sheet to track your reading and complete fun challenges throughout the summer. Bring the sheet with you on the first day of school so that you can share it with your classmates.

Goal: READ MORE!

How to accomplish this goal? Read a book or a chapter from a book EVERY day! Track your progress on the trees on the east side of the camp coloring sheet. For each day that you read, write the date on the tree and then color it in. Did you run out of trees? GREAT! Add more to the forest by drawing your own on the top and bottom margins of the paper.

The camp signposts on the west side of the camp coloring sheet have reading challenges. Color in a signpost when you have completed the challenge.

What did you read? You can keep a log on the right side margin and/or the back of your camp coloring sheet. Just include the book title and author's last name. If you are reading a chapter book, you only need to list it once.

What was your favorite book this summer? Write the title and author on the left side margin. If you have a copy, bring it with you on the first day of school. If not, we can try to find a copy from the library. We will do a book project with your favorite book to start the school year.

HAPPY READING!
